Commissioner for Patents

The IDS received 8/25/08 has not been considered.

There is no statement for the IDS of 8/25/08 that either (1) each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement; or (2) that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

The conflicting statements as to compliance with 37 CFR 1.97 noted in the communication of 8/19/08 remains.
